Kate: Yeah, something light like that sounds good.

預訂訂位

Kate: Let me call ahead and make a reservation.

Sandra: I don't even think they take reservations. Let's just go.

Kate: OK, but last time we had to wait for twenty minutes. And even then we had to sit near the kitchen.

Sandra: So? Even if there aren't any tables we can still look at the menu while we're waiting.
